

Tech Pathways Initiative

Conflict of Interest Policy

Mission

To empower Black and Brown youth in underserved communities through technology education, mentorship, career exposure, and workforce development opportunities that create pathways into high-paying IT careers.

1. Purpose

This policy protects the integrity of Tech Pathways Initiative by ensuring directors, officers, committee members, employees, and key volunteers act solely in the best interests of the organization and avoid actual, potential, or perceived conflicts of interest.

2. Scope

This policy applies to all members of the Board of Directors, officers, employees, contractors serving in decision-making roles, and committee members with delegated authority.

3. Definition of a Conflict of Interest

A conflict of interest exists when a person's personal, financial, professional, or family interests could influence—or appear to influence—their decisions on behalf of Tech Pathways Initiative.

4. Examples Relevant to Tech Pathways Initiative

- Selecting a board member's IT company to build the nonprofit's website or student portal.
- Purchasing laptops from a business owned by a director or an immediate family member.
- A board member voting on a paid consulting contract they or their employer would receive.
- Accepting expensive gifts from a technology vendor seeking a contract.
- Participating in scholarship or internship decisions involving a relative.

5. Disclosure Requirements

Covered individuals must promptly disclose any actual, potential, or perceived conflict to the Board Chair or Secretary before discussion or action on the matter.

6. Recusal

A person with a conflict must leave the discussion when requested, may answer factual questions, and must not participate in deliberations or vote.

7. Documentation

Board meeting minutes shall document the disclosure, the individual's recusal, and the Board's determination and vote.

8. Annual Disclosure

Each director, officer, and key volunteer shall complete and sign an annual Conflict of Interest Disclosure Statement.

9. Governance Best Practices

- Use the official Tech Pathways Initiative name and logo on all governance documents.
- Review this policy annually.
- Maintain signed disclosure forms.
- Adopt related policies: Code of Ethics, Whistleblower, Document Retention, Financial Controls, Gift Acceptance, and Expense Reimbursement.
